

Laura Finch

Laura Finch has worked in the soil erosion, reclamation, and stormwater industry for 7 years. She studied at the University of Colorado at Boulder and graduated with degrees in Environmental Studies, Political Science and Psychology and Neuroscience. At Triton Environmental she has helped develop projects ranging from reclamation in civil construction, airports, fire restoration, oil & gas, mining, ski resorts, and river restoration in both the public and private sector throughout Colorado and Wyoming. Laura attributes her commitment to reclamation and rebuilding soil health to her love for the environment and keeping it sustainable for generations to come.
